SIR:

In response to the Notice of Allowability, Applicants submit herewith two sheets of formal drawings showing Figures 1-4 amended as recommended by the Examiner.

In particular, the Examiner required amendment of the drawings and indicated that a proposed amendment is attached to the Notice of Allowability. However, no proposed drawing change was attached to the Notice of Allowability. The undersigned attorney accessed the electronic patent file via the PAIR system and obtained a copy of the Examiner's proposal for the drawing amendment from the Examiner's file.

New patent drawings incorporating the changes proposed by the Examiner have been prepared and are enclosed herewith as replacement pages, so marked.

Acceptance of the enclosed formal drawings is hereby requested.

Respectfully submitted,
